# SHERRY THRIFT BRADSHAW

*Encouraging others to be all that God created them to be so they can lead lives of significance.*

Sherry Thrift Bradshaw grew up in a small South Carolina town with only one traffic light. But that didn't stop her from dreaming big. Blessed with wonderful parents who introduced her to Jesus and encouraged her to follow her dreams, Sherry set her sights on pursuing excellence where ever God led her.

...and Trinity Baptist Church invites you to experience this wonderful speaker and enjoy delicious desserts.
